

Lactation Rooms for Employees

There are 2 rooms that are private, comfortable, safe and useful for expressing milk that are available for use. There is one space on East Campus and another space on West Campus. Please see below for the 2 locations:

East Campus lactation room is located in the ECOC-1 building, Room 18. The room requires an access key code for entry. The keycode can be requested by going to one of the following locations or calling the direct extension:

Basic Needs Center (ECC 14; ext. 3068)

Center for Equity and Social Justice (CC 228; ext. 4377)

EOPS (SS 240; ext. 2279)

Office of Student Affairs (SS 230 and Student Services 260; ext. 4201 and ext.4037)

Office of

SBCC Student Health (SS 170; ext. 2298)

The Well (ECC 21; ext. 4702)

West Campus lactation room is located in the Library on the main floor. Please ask one of the Librarians at the Information desk (service counter in the middle of the main floor) for the key and the room number.
